

## CTRL-A General Meeting 3, Summer 2009

June 15, 2009

The meeting was called to order by Kyle at 6:03 pm.

### Show 2 review

Outlaw star was successful. We sold two memberships.

### Volunteers & Disks for Show 3

Volunteers meeting in the SLA around 3:45:

- Brian

We will show the Rah Xephon Movie in place of samplers.

### DJClub / Media Room

Kyle attended a meeting with FEDS, DJ Club, and the SLC management. There is only one key for the room, so there is some individual liability. We will need to return the key during shows, since the other clubs may need to get into the room. DJ Club will be locking their equipment down. WatSoc may be keeping a projector in the room. We will have our desk and shelves in the room. The club room is likely more secure than the locker (combination lock), so we will keep the show in the bag in the club room.

### Laser Quest

LaserQuest will be Friday July 3<sup>rd</sup>, 6pm – 9pm. The cost is \$25 with food, or \$20 without, signups will be available at the next show. There are 30 places available. LaserQuest is moving the day before the event. We have unofficially invited DJClub to LaserQuest. DJClub may invite us for a musical event; more information to follow.

### Saturday Show Activities

The 20 Questions event was reasonably successful. A pictionary-style event is being considered for the next Yester-Term show.

### Friday Event

There will likely be an EMC event on Friday; further information will be included in a mailing.

### Jeopardy

The event for show 3 will be Jeopardy.
