

CTRL-A General Meeting 4, Summer 2009

June 29, 2009

The meeting was called to order by Kyle at 6:00 pm.

Show 3 Review

The movie was confusing to many. We sold 9 memberships. Jeopardy was very successful, and took about an hour and twenty minutes to run. We need to restock on bulk prizes. Some of the questions may have been somewhat too obscure.

Best of Show Review

The show was a moderate success. Turnout was 5 – 10 people, and a few non-members came in and out. Warrior Weekends was showing another movie at the same time. Next time, we will run the best of show on a Friday.

Show 4 Planning

The contest for the next show is a short story & poetry contest; the word limit is now 100-200 words. We should give notice of the contest in advance.

Laser Quest

Laser Quest will be Friday from 6:00pm – 8:00pm. We only have 4 people pre-registered; however, others have said that they will be attending. Laser Quest has moved to a new location downtown.

Karaoke

Adam is planning to have a Karaoke event on July 31st. Mo and Amanda had planned to run Karaoke at the beginning of the term, so they might be able to help out. Check the forum for more information.

Picnic / BBQ / Sushi

July 18th might be a possible date for the picnic. We will go to Ye's on Sunday July 19th.

Disks

We may need the next disk for Hajime no Ippo from Karl. We will need a new sampler for show 4. It is unclear if we have permission for GTO; we will talk to John. We might already have permissions for Higurashi no Naku Koro Ni or Pumpkin Scissors. We will need to find a sampler for which we can get permissions quickly.

Contests

Reminders for the AMV and art contests.
