### 20PthP Anniversary

- Suggested creating a mailing list for organizing
  - Sam will be creating a forum topic for this

- Tory will be responsible for administering the list, since she already has mailing list powers
- Show format suggestions:
  - Best of CTRL-A
  - Popular shows
  - History of Anime / anime from 5 decades
  - Combination of previous 3: best episodes of popular shows from multiple decades
  - Theme slots (mecha, maids, etc.)
  - Most ridiculous anime
    - The show slot on the schedule would just say 'most ridiculous anime.' The actual show won't be known by the audience until it airs. We have a contest (with prize) for who can guess the show.
- Asher and Karl have projectors which they can lend for non-show activities

#### Other

- Josh donated a set of 3 mugs (with characters printed on them) to be used as activity prizes
