Meeting Called to Order at ~5:40 PM

Art Meet recap

- Informal formal was good.
- Next time we should bring a power bar – many people work digitally.

Sushi Lunch recap

- End of Term sushi lunch attendance was approximately 12 people.

Show 4

- Friday volunteers (AL 113):
 - Setup: Riel (key), Sung Joon (laptop)
 - Takedown: Nathan, Sung Joon
- Saturday volunteers (AL 113):
 - Setup: Riel, Josh (PS3), Scott
 - Takedown: Nathan, Riel
- Scott from EngPlay was at the meeting to ask us to trade AL 116 (which we had originally booked) for AL 113. Since they will not need access to AL 16 and finish at 9:30 PM (coinciding with our takedown), we agreed to swap rooms.
- Sources:
 - Friday sampler will be Baccano!, with disks from Nathan. It was suggested that we watch the dubbed version, which a number of members present claimed is superior to the subbed version.
 - Saturday movie will be Akira. Source was supposed to be Karl, but his disk is missing. Will ask Asher or Jeremy if they have a copy.
 - Darker than Black requires a Funimation account, which someone will need to sign up for (free trial).

Art Contest

- As of the meeting, only 5 people entered. The deadline will be extended to next term (tentatively January 25th) to allow for more entries, particularly from over the break.

Hotpot

- Alcina asked Karl (messed at the meeting) if we could use his house as the location.

End of Term Survey

- Alcina will be setting up an end of term survey.
- Will include question on how people intend to get to Anime North.

Minutes from meeting 10 were not available due to unstable Linux kernel drivers.
