Banners & equipment
- Jess and Karl briefly discussed looking into costs of printing a banner (once art is done) and potentially replacing the broken tripod (though this may not be necessary, as the old tripods may be usable with some modification)..

Macross Marathon
- Good, despite organizational issues involving the AL16 key.

Clubs Days
- Need at least 3 people to help set up (at 8:30 AM) in order to get first choice of booth
- Volunteers:
    - Thursday: Tory (until 10), Jess (noonish)
    - Friday: Will (any time), Jon (also any time), Jess (afternoon)

Show 1
- Friday show at 4:30 in E5 5106/5128 seminar room. Saturday show at 2:30 in AL 116

Night Sky show
- Jess proposed running an outdoor show & games night
- July will probably be the best month to run this (warm)

Subtitling activities
- Bryan actually has software for subtitling
- Suggested subbing Laura's Japanese-only copy of Ghost in the Shell. Unfortunately, we cannot do this as it is illegal under copyright law.
- Suggested troll-subbing Hajime no Ippo. This would possibly be shown with the show heckling activity.

<u>Fridays update</u>
- UW Senate is denying responsibility for the decision not to allow classroom bookings on Fridays. Sean Hunt (of MathSoc) is looking into who is actually responsible.
- Looking into creating a petition with other clubs against the decision.

<u>Anime North</u>
- The University of Windsor anime club is planning an all-clubs meetup
- Sam has space available for people to sleep. Contact her for details.

<u>Other</u>
- Maid/butler costume making in preparation for the Cosplay Cafe will be taking place every other week at project night
