

CTRL-A General Meeting #3 – May 14th, 2012

Agenda

- Show 1 Recap
- Club Netbook
- Fridays!
- Joint Activities
- Equipment Upgrades

[Meeting Called to Order at **6:33 PM**]

Show 1 Recap

- Wireless access in E5 was poor, which interfered with streaming. As such, we won't be using the room in the future.
- There were issues finding a laptop capable of playing shows properly, though one was eventually found.
- Concessions went alright, though Karl did not bring the new cooler.

No e-mail was sent out for this week's meeting, since Charlotte wanted to add everyone who signed up on Clubs Days to the mailing list first.

Club Netbook

- The club netbook is missing.

Fridays!

- Fridays are now bookable: the decision not to allow classrooms to be booked on Fridays was misinformation; no such decision was ever made.
- Bookings for shows and games nights have been submitted.

Joint Activities

- WatSFIC is interested in collaborating on some kind of sci-fi movie night.
- Konnichiwa Japan (Konja) is interested in some sort of joint activity (currently undecided).
Suggestions:
 - Joint games night
 - Collaboration on the Cosplay Cafe
- We have been invited to participate in Renison's East Asian Festival in September.

Equipment

- Jon would like to upgrade to a 5.1 surround sound system for show.
 - Intermediate suggestion: add a subwoofer (2.1) or subwoofer and centre speaker (3.1)
- Reinhold donated \$100 to the club for the purchase of the cooler (c/o Jess)

[Approved Meeting Minutes from **May 7th, 2012**]

[Motion to Adjourn passed **6:45:51 PM**] (after typical apathy from the gaming corner)
