Show 4 Recap

- Not much to say, it was great?

External Relations Officer General Entertainment Show

- MC 2065.
- Something is happening in AL116 again, but we'll be able to get in and out of AL16 easily enough.
- Setup: Tinn, Zenith, June, Will(Maybe), Paul (Maybe). Takedown (without recoil!) – People who are there.

Japanese Relief

- We're collecting money in a Jar. It will reach the Red Cross somehow.
- Do we have contact information for a KonJa exec? Someone send it to Kyle.
- Beyond this, we could do other stuff – sell art, show something, art, origami, calligraphy, caricatures, art...
 - o If we're doing art, maybe through UW Comics?
- Kyle will talk to feds asking about stuff.
- Game tournaments?
- Drop-in Mural? Pictures, phrases, etc. Need to find some way to prevent trolling. Seriously.

Sushi Lunch/Hot Pot/EOT

- Mystery Pot. This will happen. Nothing nasty. Okay actually it'll be a Potluck.
 - o It'll be after survival tag. Tentatively at Kyle's apartment.
- Sushi Lunch this weekend? Kyle will try to get bookings out.

Survival Tag

- We're recycling materials from last term, but it's ready. April 2nd.

Digitizing Concessions

- It's being worked on. (Jon/Andrew is working on it)

Other Stuff

- End of term survey will be put up now.
- Why do we still have our surround sound equipment? We could sell it. Need to test the quality of them first before we decide to do anything.
- Need to do inventory.
