July 14, 2008:

1. How do you think the club did this term?
 2. Was there something liked/disliked in particular this term?
 3. Are there any activities you'd like to see next term, and you would volunteer to help organize them?
 4. Name three released in North America anime you'd like us to show next term
 5. Anything else you'd like to add?
-

Person 1:

1. Well organized, but not so well attended (for the most part)
2. I liked the games/karaoke nights
3. Regular discussions on various topics related to anime, or more group dinners/lunches. Sure, next next term
4. Dokurn-chan, Gunbuster 2, Kanon
5. Guess who I am! If you want more of my opinions, just ask me for them.

Person 2:

1. I think the club did okay. There were definitely more activities to come out to and many of them were enjoyable. In terms of membership though, it could have been better, but for the summer term it was sufficient
2. I really liked the increase in activities outside of anime watching, especially Anime Karaoke. I particularly thought that the Friday show line-ups were a little weak, but it ultimately depended on what the club had access to.
3. As long as the activities are fun, I don't really care, and I'll try to volunteer to help organize them.
4. Lucky Star, Kanon (2006), Jigoku Shoujo
5. I'll be here next term so we'll see how things go.

Person 3:

1. Very good
2. Anime trivia and karaoke was great
3. I would be happy to volunteer, but my next work term is in Winter 2009
4. Galaxy Angel Rune, Eureka 7, Ghost in the Shell (hopefully in Winter 2009)
5. More anime movies !!^_^!!

Person 4: (folded into a paper plane)

1. If you throw a dead cat off the top of the math building, it will bounce, but it won't bounce very high
2. Attendance disappointingly low. I for one would have showed up for more events if I'd gotten e-mail about them the day of. With just the weekly updates I often forgot to attend the actual events
- 3 and 4. I expect to be gone next term; n/a

5. I'm glad the club survived until my last term at UW. I'm sorry it looks like it won't last much longer.

Person 5:

1. I unfortunately had to miss a couple shows, but the ones I was able to make it to seemed okay
2. Not particularly
3. Drawing contests, costume contest (since it will be Halloween) maybe something Christmasy / Holidayish at the end of term? No on the volunteer front.
4. Piano. No other suggestions off the top of my head
5. Not at this time

Person 6: (Folded into a paper crane)

1. Did well
 2. Karaoke good
 3. More of this
 4. School Rumble, Gurren-Lagann, FMA
 5. Yes, there is
- (Seriously, this club beats the one back home by so much)

Person 7: (folded in half)

1. Great, just poor attendance and little social interaction, but that's not something the club can control
2. No not really. Great show picks, with a number of great shows that I had missed previously
3. Yes, there are activities I'd like to see next term, I would like to volunteer to help organize them
4. Gunslinger girl, true tears, Code Geass: Lelouch of the Rellion
5. Nothing really

Person 8: (folded into paper plane)

1. Well enough. Summer is a slow term
2. Liked: shows, events disliked: lack of participation
3. Laser quest
Sushi lunch would be okay if before the cold sets on
Inter-show luncheons need a new organizer
Kosplay Kombat to tie in with Halloween}
Christmas themed show/samples
4. Helsing Ultimate, Gurren Lagann
5. Not at the moment

Person 9: (folded into paper crane)

1. Okay, I would've liked to see more ppl attend events other than the Friday shows. But we tried new activities (karaoke, games), and they were fun for people who showed up.
2. Liked how we tried to have activities at meetings, don't like how it didn't draw any new ppl. Don't like how there's not many exec meetings (and have to discuss by e-mail, not efficient)

3. Laser quest, showing more stuff in SLC, like Anime 101, but on weekdays where there's more traffic (I'm not here next term though)
